

Accessing Series25 Tools from 25Live Pro

Series25 includes all the tools needed to support academic scheduling and full event management. Many of these applications are accessible via the "More" menu in 25Live Pro. Your instance may have any of the following Series25 applications.

How to Access Series25 Tools

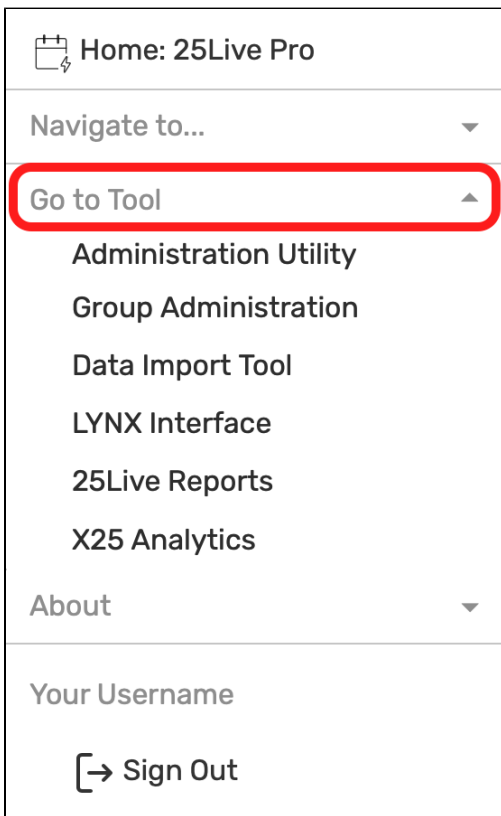

1. Go to the More Menu

Image: The More menu is in the top navigation bar.

After logging into 25Live Pro, open the **More** menu in the top navigation bar.

2. Open the Go to Tool Section
